CHURCH PROFILE

The First Presbyterian Church (ARP), founded in 1914, is a Christ-centered congregation who worship in Lake Wales, Florida. Mackay Smith was installed as the seventh senior pastor in March 2022, after serving as the associate and then interim pastor since May 2017.

Lake Wales is on the ridge of Central Florida, an area known for citrus & tourism. The town is on the cusp of a population boom, with its population (now 16,000) expected to triple in the next ten years. Polk County (pop. 725,000) includes the larger cities of Lakeland and Winter Haven.
